HŽ INFRASTRUKTURA

and

the Mediterranean Corridor - RFC 6

are pleased to invite you to

the Rail Freight Mediterranean Corridor Conference "Extension to Croatia"

ZAGREB

Croatia

23rd of May 2017

The Conference will deal with the most important challenges and opportunities of the rail freight transport along the Mediterranean Corridor with a special focus on the Croatian rail market and its connections with the rest of Europe. The most important Croatian institutional and rail players will be involved in the Conference. The Conference will take place in the wonderful city centre of Zagreb and it will be followed by a tour of the City centre and Gala Dinner.
